Normal AAD policy is to fly expeditioner employees to Tasmania on the day before the actual date of commencement.

You will receive notice of confirmed travel and accommodation arrangements ASAP. Please note, accommodation will be provided, where possible, in single self-contained units.

FROM (AIRPORT)

It is our expectation that expeditioners will not bring personal vehicles with them to Hobart this season. Travel arrangements should allow you to travel directly to Hobart via the quickest means (i.e. air travel). Where exceptional circumstances exist, requiring you to bring a personal vehicle, please discuss this with the Recruitment Officer assigned to your commencement about the arrangements.
